

## Waters Rankings 2018 Winners' Circle: SmartStream Technologies

SmartStream Technologies won the best corporate actions solution provider category in this year's Waters Rankings, thanks to its TLM Corporate Actions platform. Victor Anderson chats to Adam Cottingham, product manager of TLM Corporate Actions, about recent improvements to the offering, how SmartStream differentiates itself in a competitive marketplace, and the areas where capital markets firms ar

**What tweaks has SmartStream introduced to TLM Corporate Actions over the course of the last 12 months?**

**Adam Cottingham, product manager of TLM Corporate Actions:** TLM Corporate Actions is realizing an accelerated development roadmap after the investments SmartStream has made in expanding the team. The solution already supports the processing of all ISO events through their complete lifecycle, but we are always looking to improve our offering and provide value to our users and the market.
